

Did not finish owing to injury, R. M. Cunningham (Ch.) and J. O. Heyworth (Ch.).

Points for: 1, 4, 7, 9, 10=31.
against: 2, 3, 5, 6, 8=24.

The Charterhouse team was not by any means running on its best form to-day, and was beaten fairly easily.

Bradfield started with a fast pace, and looked like being all home in the first ten, but Smith pulled up and finished fairly high, and Robertson mi., running for the first time in a School match, did very well to finish 7th. The race was run in very dry conditions, and as a detour in the course was necessary, the times were, on the whole, good.

CHARTERHOUSE v WELLINGTON

At Home. Saturday, March 13th. Won.

The School team visited Wellington with a team of eight and met with an entirely undeserved victory. The Wellington team were clearly too good for us. However, one of the Wellington eight failed to complete the course, and since it had been agreed to score eight a side, Wellington failed to score, and gave us the victory. Trollope had a very good race with Ibbotson (Wellington), the winner, and was beaten by about 10 yards.

Winner's time: 32 mins. 40 secs.
Length of course estimated at 5½ miles.

CHARTERHOUSE v EPSOM

At Home. Saturday, March 20th. Lost.

1. P. J. M. Trollope (Ch.), 31 mins. 44 secs.; 2. L. H. Robertson mi. (Ch.), 32 mins. 41 secs.; 3. I. B. Mackintosh (Eps.) and M. Holloway (Eps.), 32 mins. 50 secs.; 5. M. H. Davies (Eps.), 32 mins. 52 secs.; 6. D. St. J. Brew (Eps.); 7. D. A. Blackman (Eps.); 8. P. H. Price (Ch.); 9. R. M. Cunningham (Ch.); 10. T. R. Walker (Ch.); 11. J. H. Smith (Ch.); 12. A. J. Rimell mi. (Ch.); 13. P. R. Doidge (Eps.); 14. A. A. Hobbs (Eps.); 15. W. H. Masefield (Ch.); 16. J. C. Harpin (Eps.); 17. D. A. Wood (Ch.).

Points for: 1, 2, 8, 9, 10, 11=41.
against: 3, 4, 5, 6, 7, 12=37.

This was one of the best matches of the season, and certainly the closest.

After the match P. H. Price and L. H. Robertson mi. were awarded colours.

During the season 1942-43, 10 matches were run, of which 7 were lost and 3 won. It was definitely a lean year for the School's cross-country running, but not without considerable promise for next year among the younger members of the team.

School Colours at the end of the season were P. J. M. Trollope, J. H. Smith, T. R. Walker, P. H. Price, L. H. Robertson mi.

CORRESPONDENCE

To the Editor of THE CARTHUSIAN

DEAR SIR,

May I be allowed heartily to endorse the proposal in the March *Carthusian* for some recognition of Mr Mountney's services to the School. In addition to a debt of gratitude for work done for myself in Museum, I have to thank him for his unfailing welcome on every visit back to Charterhouse.

Yours faithfully,

J. L. SMITH-DAMPIER.

To the Editor of THE CARTHUSIAN

DEAR SIR,

I should like to bring to your notice the fact that there are a number of cups, formerly awarded for various School events, at present mouldering in disuse. May I suggest that they should once more be put either to their original use, or to some new one.

Yours truly,

W.F.W.S.

To the Editor of THE CARTHUSIAN

DEAR SIR,

Without imposing too great a strain upon the School's valuable manpower would it not be possible to cut down the foliage that now obscures Lessington Clock? Since someone *does* take the trouble to wind it up and set it, it is a great pity his efforts are thus wasted.

Yours sincerely,

G. T. WHITAKER.

To the Editor of THE CARTHUSIAN

DEAR SIR,

Carthusians will be interested in an extract from a letter I have recently received from the Procurator of St. Hugh's Charterhouse at Partridge Green in Sussex. 'I am much interested,' he says, 'in your motto, *Deo dante dedi*, as *Deo dante* is a Carthusian expression which to this day we invariably use before we undertake any work of importance.'

The origin of our motto has long been the subject of speculation. Was it invented, borrowed or adapted by Thomas Sutton? The Procurator's letter leaves little doubt as to the source from which it so fittingly and happily derives.

Yours sincerely,

A. W. TRESSLER.
