

In the second half Charterhouse combined well, and the passing became hard and accurate. A second goal came soon after the game was restarted, Graves driving the ball into the net from Stiven's centre, and a third when Macdougall flicked past the goalkeeper. The R.A.S.C. then recovered and nearly scored on several occasions.

For Charterhouse, Stiven played well at outside-right and the backs covered well and hit the ball hard.

CHARTERHOUSE v GUILDFORD

At Home Saturday, March 1st Lost 1—5

This was another even game in which Charterhouse were unfortunate to lose by such a large margin. During the first half the Guildford forwards had very little chance of scoring, play being confined to the centre of the field. However, Guildford opened the scoring with a hard shot from one of the halves who had been following up. Charterhouse soon equalised, Hawley hitting a corner into the top of the goal.

Playing with a very strong wind, the Guildford inside forwards combined well and scored by four hard, well-placed shots, three coming for Mr Garnett. Charterhouse had several chances of scoring but had bad luck and the shots just missed the goal.

After the match C. Crook, W. H. Griffiths and W. A. Vanbergen received colours.

TEAM—K. J. I. Harding; W. A. Vanbergen, R. S. Dickins; C. Crook, W. H. Griffiths, F. A. Peet; B. P. A. Graves, P. C. G. Larking, A. D. H. Hawley, R. S. Evans, I. W. Stiven.

FIVES

CHARTERHOUSE v ETON

At Eton March 6th Lost

In this match Eton succeeded in avenging their defeat of last quarter. They played much better than they had done on the previous occasion, but despite this the games were very close. Charterhouse experienced the usual difficulty in strange courts of not being able to swinge so well, since the services were unavoidably lower. The

real reason for the loss of the game, however, was the failure on the part of both Peet and Hawley to get up enough of the cuts. For Eton, Spooner played remarkably well, and Chinnery, though not quite so outstanding, played steadily; it was this steadiness which won the game, as Charterhouse often had the attack at the beginning of the rallies but failed to make really decisive kills.

Nesbitt and Crook were unable to play, as neither of them had had chicken-pox, and Sharp and Figg found themselves up against too strong an opposition.

The scores were as follows:

F. A. Peet and A. D. H. Hawley lost to H. M. Chinnery and E. H. Spooner, 10—12, 14—15, 12—15.

J. P. L. Sharp and L. C. W. Figg lost to B. W. M. Young and J. A. Floyd, 1—15, 10—15, 3—15.
